national ... - ultimately, independent algeria. pecheux points out pertinently that discourse is a representation, and that ideological struggle is the essence of discourse structure. it structures our sense of reality and the way in which we perceive our and other people's identity (pecheux, 1982; see also mills, 1997). it often constitutes a tool of power and hegemony controlled by the powerful, and ... **from the national**

question to the social question - severely the image of nationalism. in addition, cosmopolitan ideologies, the emergence of new transnational actors and new social movements suggest that nationalism and the movements it inspired belong to museums, if not in the dustbins of history. we have been told that concerns relating to the national question have been replaced by discourses on such weighty issues as

... **the choice of francophonie in postcolonial africa, 1960-1970** - the choice of francophonie in postcolonial africa, 1960-1970 elizabeth jacob seminar adviser: professor charles armstrong second reader: professor gregory mann april 5, 2013 columbia university department of history -1- acknowledgements i must offer my sincerest thanks to my seminar adviser professor charles armstrong for his support and interest in my project. his seminar leadership helped to ... **the politics of africa - centre of african studies** - 1 the politics of africa . lent term 2014.

optional module c, adam higazi (ah652@cam) islam, politics, and cultures of statehood in west africa and the sahel **from the national question to the social question** - from the national question to the social question introduction let me first thank the harold wolpe trust and the organisers of the seminar for inviting me to give this lecture in honour of a man whom i have held in the highest esteem. i never met harold wolpe but, like many members of my generation, i knew of his scarlet pimpernel escapades not as a rescuer of the aristocracy but as a champion ...
